

White Paper for Red C Media Toolbox:

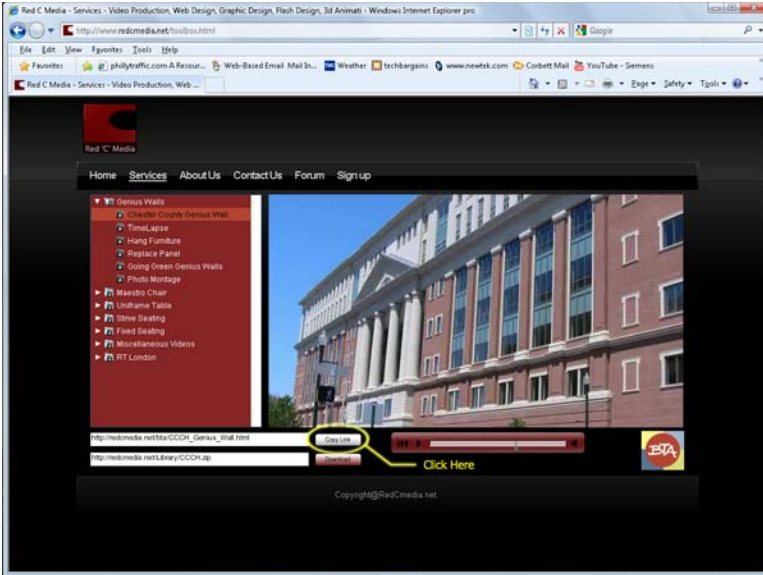

Open folders by clicking on the grey triangles next to the folder name – select the triangle next to “Genius Walls”.

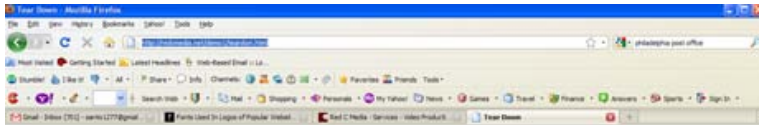

To preview a video click on the name – select “Chester County Genius Walls” (The video won’t start playing back until 10 seconds of the video buffers in the computers memory)

While the video is playing back you can use the controls located at the bottom of the screen to “Pause”, “Scrub” (only in the section of the video that currently is in the video buffer), and “Mute” the sound.

To send a video link to a client select the “Copy Link” button (this places the link into your computer’s memory), open your email program and paste the link into an email.
